

ICE-BREAKERS

Core / Key Objectives

- ◆ **Creative & Fun event**
- ◆ **Creates a feel good factor**
- ◆ **Breaks down barriers**
- ◆ **Develops a receptive and interactive environment**

As the name suggests Ice breakers create a good start to an Event, Dinner, Meeting or Conference. They get the group in the right mood to be able to tackle the rest of the Event.

We have a wide variety of ice breakers that can be adapted to carry a variety of messages to set the scene for the day ahead or simply fun, adrenalin enhancing ways of kick starting an event. One thing that is certain is that people will be switched on and ready to go.

Our Ice Breakers can range from 20 minutes to half a day depending on your needs, from our Game Show which is fun and invigorating, to interactive learning based challenges, and all the bases in between!

Applications

- ◆ Particularly good when a business wants to bring a group of people together and help them 'gel' before they move forward with the day ahead.
- ◆ Great for the "grave yard slot" after lunch when everyone feels sluggish and unresponsive.
- ◆ It gets people out of their comfort zone and shows them that they can have a go.
- ◆ It can give a flavour of the conference or meeting. For example the "Circle of Trust" helps to break down barriers and underlines the need for people to work together.
- ◆ Good as entertainment at a Dinner – can be purely fun and get the evening off with a bang. Christmas parties and end of conference dinners are good examples for this.
